

Calvin Littlejohn

Chief Executive Officer

As one of the founders of TRI-Construction, Inc., Calvin’s vision to build and develop a community-based business has spanned 20 plus years. Providing strategic planning resulting in a successful commercial construction company. Calvin’s intention for the next decade is for TRI-Construction, Inc. to advance as one of largest industry leaders as a certified minority general contractor.

Calvin has made a commitment to creating opportunities and supportive leadership for women, veterans, craft workers and minorities through managerial and field profession – ***“We are very intentional and understand the need for minority companies such as TRI-Construction to open the doorway for opportunities and bring minorities into the construction field on many platforms”.***

Calvin uses his role as a leader at TRI-Construction to actively promote and engage in the community for a diverse construction industry.
