

Ron Pochman, Jr.

Site Superintendent

With over 20 years' experience in the commercial construction industry, Ron is detailed orientated and driven to make a difference in the communities in which he works. To effectively serve TRI-Construction he strongly works towards leading by example.

Communication with team members and risk management are an ongoing format. This is key to bringing projects within budget lines and schedules.

Creating a healthy relationship with your neighbors in the communities in which we work is also very important to Ron.

He strives to make a lasting impact throughout all aspects of the project
